Report of Value Added- Course in Life Skills

Personality development for value added course was arranged by the education department for B.A. II semester students. Main motive of the course was to build the corporate values amongst the students by developing their life skills. We taught about the role of personality while appearing for the interviews.

Development of positive attitude and positive change in life skills. Thought few developing skills like Self confidence, body language, team work, time management, self-motivation, leading quality etc. which can benefit them during their placements. After completion of the course, we have taken feedback. The students were given good feedback for the VAC.
